

## The Warren County Soil & Water Conservation District's Agricultural Environmental Management (AEM) Program

### **Meeting Announcement:** ***Funding Applications for High Tunnels & Cover Crops***

**When:** Monday October 5th, 6:00 PM-8:00 PM

**Location:** Warren County Soil & Water Conservation District Office, 394 Schroon River Road, Warrensburg 12885

The District is currently accepting applications from agricultural producers for the Regional Conservation Partnership Program (RCPP). The applications will be for funding assistance for high tunnels and cover crops in Warren County. This is a competitive application process.

The District will discuss the application process and requirements at this meeting, and we encourage anyone who may be applying for funding to attend.

**Please RSVP** to Nick Rowell by 10/02/15, as seating is limited.
