

# An Introduction to Emergency Stream Intervention

Thursday October 7, 2021

9:00 AM – 3:00 PM

Location: Ausable Inn  
1809 NYS Rte 73 Keene Valley NY 12943

## Concepts Covered

- ➡ how streams function
- ➡ historical perspective of the causes of stream instability
- ➡ overview of an Emergency Stream Intervention project

Supervisors, highway departments, planners, engineers,  
and those interested in these concepts are encouraged to attend.

This training is an in-depth presentation building off of the introductory 2-hour program. It is intended as a tool to assist communities to better understand how streams function, why flooding occurs and how to begin addressing impacts to communities. A field component is included in this program, so please be prepared for rain or shine

*There is no cost to attend this training, lunch is provided to participants and  
2.0 PDH's are available.*

Please register by October 1st, 2:00 PM  
Go to: <https://forms.gle/TkeJ15iThMpJQ5Dm9>
