

NYSDEC 4-Hour Erosion & Sediment Control Training

When: September 19, 2023 **Where:** In person @ Lake George Volunteer Fire Department
12:00 - 4:00 PM
Cost: \$85 per person
179 Ottawa Street
Lake George, NY 12845

Under the NYS Department of Environmental Conservation's Stormwater Permit, all construction site contractors and subcontractors must have at least one trained individual from their company on their construction sites on a daily basis that is responsible for implementation of Erosion Controls and Stormwater Management. These individuals must complete this 4-hour training every **three years** to remain certified on the principles and practices of erosion and sediment control and stormwater management.

This training covers both technical and regulatory aspects of stormwater management and erosion control, and is open to anyone including municipal officials, developers, contractors, non-profit organizations, and others.
