Queensbury MS4 illicit discharge report 10/2/2024: IDDE between 16-18 Lynn Ave, Queensbury

Sanitary dump from a suspected RV was dumped into the stormwater system which is a catch basin

Mark Demers at Hwy Dept had IBS a septic hauler pump out the structure.

Qby Hwy talked with neighbors about the illicit discharge and tried to find a camera but the video was unsuccessful.

Warren SWCD installed storm drain markers on the catch basins in and around the illicit discharge location.
